

BURGLARS CAUSE PANIC
OPPOSITE POLICE STATION

Woman Leads Chase Through West 54th Street Building But the Robbers Escape Over Roof.

Crying "Police! Help! Murder!" a young woman rushed into the West Side Police Court in West Fifty-fourth Street this morning. After being quieted down she told the police that two men were riding her apartment just across the street at No. 319 West Fifty-fourth Street.

A dozen bluecoats were dispatched to the scene. Up the four flights of stairs they went, preceded by Miss Jennie Page, who has an apartment in the building. They found two doors of Mrs. Harry Schwager's apartment broken open and then continued on to the roof. There they found that the intruders had made their escape through a skylight and over the roof of an adjoining house.

For a short time there was a panic among the fifty women in the apartment building.

Doctor Says Nuxated Iron Will
Increase Strength of Delicate
People 200% in Ten Days

In many instances—persons have suffered untold agony for years, doctoring for nervous weakness, stomach, liver or kidney disease or some other ailment when their real trouble was lack of iron in the blood—How to tell.

In a recent discourse Dr. E. B. Davis of this city said: "If you were to make an actual blood test on all people who are in poor health, you would find that the majority of them are suffering from a deficiency of iron in the blood. This deficiency is the cause of all the ailments mentioned above. Without iron in the blood, the body is unable to build up new tissue, and the old tissue is worn out. The result is a general weakness, which is the cause of all the ailments mentioned above. Without iron in the blood, the body is unable to build up new tissue, and the old tissue is worn out. WEATHER FORECASTER

Found Unconscious in Office, Assistant Sends Out Observations Later.

Francis Long, sixty-four, of No. 1201 Decatur Street, Brooklyn, official forecaster for this district of the Weather Bureau, was stricken with apoplexy in his office on the twenty-ninth floor of the Whitehall Building, No. 17 Battery Place, last night.

Mr. Long went to his office at 7:30. About 10:30 Watchman O'Donnell and Elevator Operator Motharel noticed that the lights in the Weather Bureau office were out. Upon investigation they found the forecaster unconscious upon the floor. Dr. Kroesch took Mr. Long to the Volunteer Hospital.

Mr. Reid, another forecaster, arrived at the office. Later, finding no observations had been taken for two hours, he made them and then issued the regular weather forecast.

"MELTING POT"
IN WHICH FLAG
BURNED IN COURT

Several of Bouck White's Associates Subpoenaed Before Chief Magistrate McAdoo.

A large number of the congregation of Bouck White's Church of the Social Revolution, which showed its disapproval of the Government of the United States by burning the American flag in a so-called "melting pot" last Thursday night, were in Chief Magistrate McAdoo's Court to-day when Henkel, Ned Ames, Heinrich Webber, Robert W. Davis, Louis Cherkoff, Kate Chetyanna, Dominic Sinisi, Amanda Huld and George Harris were subpoenaed upon complaint of Mrs. Alice Hunt, who lives at No. 123 West Twenty-first street, next door to the church. Mrs. Hunt saw the flag burning from her back window. A corroborating affidavit in support of Mrs. Hunt's complaint was made by William F. Cox, a New York City news reporter, who "covered" the flag burning ceremony.

For his desecration of the flag on another occasion Bouck White is now serving a thirty-day sentence and must pay a fine of \$100.

As evidence against the flag burners, Detectives Gegan and Daly brought to court the "melting pot" and other paraphernalia used in the flag desecration. Simon O. Pollock appeared as counsel for the subpoenaed followers of White.

There was much craning of necks when Detective Gegan brought in the tripod and "melting pot" and set them up in front of the magistrate's bench. The inscription "melting pot" in white lettering had almost been obliterated from the side of the iron kettle, but it still held the ashes of the various national flags which had been burned in it.

Mr. Pollock asked for an adjournment until Thursday morning at 10 o'clock at No. 200 Mulberry Street, which was granted. The defendants were paroled in the custody of their counsel. Warrants were served on them as they stood before the magistrate.

POLICEMAN HURT IN CRASH.

Sergeant Cummings's Motorcycle Hits Lamp Post During Chase.

Sergeant Thomas P. Cummings of the Parkville motorcycle squad, was chasing a speeding automobile in Ocean Parkway, Brooklyn, early to-day, when his machine skidded and was demolished against a lamp post at Ditmars Avenue.

Ten minutes later, Cummings was found by Motorcycle Policemen Johnson, who called an ambulance from Kings County Hospital. Cummings was found to have a broken collar bone and many bruises, but he insisted on being taken home, so his wife wouldn't be worried.

The pursued automobile, which contained half a dozen young men and women, did not stop.

Safety in
All-Steel Cars

The Steel Car Route

More than one-third of all the steel passenger cars in the United States are in service on the Pennsylvania Railroad System.

All-steel cars cost almost twice as much as wooden ones, but the Pennsylvania Railroad Company believes that the additional expense is a good investment.

That is why it was the first railroad to introduce all-steel cars and why it has built nothing but all-steel cars since 1906.

When travelers fully understand all we are doing to make their trips over our lines safe and comfortable we believe we can count upon their regular patronage.
